Vol. 42, No. 3

FEBRUARY IS AFRICAN AMERICAN HISTORY MONTH. President Obama’s proclamation is posted online.

SERIES OF FEDERAL FUNDING DECISION POINTS LOOMS. March 1: Automatic, across-the-board spending cuts in discretionary domestic programs (5.1%) and defense will occur unless Congress acts to avert them. March date unknown: The Administration will release its FY14 budget proposal. March 27: The continuing resolution that has provided FY13 funding ends and the government will shut down unless Congress takes action. April 15: Legislators’ salaries will begin to be escrowed as required by the debt ceiling increase bill signed into law by President Obama on February 4, unless/until Congress passes a concurrent budget resolution for FY14. A budget resolution is not binding, so the appropriations committees can begin considering FY14 funding bills without it. May 18/August date unknown: The debt ceiling is suspended through May 18 and then it increases by a formula that is expected to enable the federal government to continue meeting its debts until sometime in August.

SENATE COMMITTEE REQUESTS INPUT ON ITS BUDGET RESOLUTION. Senate Budget Committee chair Patty Murray (D-WA) invites comments and suggestions online.

HURRICANE SANDY FUNDS APPROVED. On January 29 President Obama signed into law a $50.5 billion supplemental appropriations bill that includes $16 billion in disaster CDBG funding for jurisdictions impacted by Hurricane Sandy or any other presidentially declared disaster in 2011, 2012, or 2013.

CFPB SEEKS COMMENTS ON ABILITY-TO-PAY RULES. Comments are due February 25 on Consumer Financial Protection Bureau amendments to its ability-to-pay/qualified mortgage regulation (see HAC News, 1/23/13). Possible changes include exemptions for nonprofits, HFAs, and NFP grantees, and qualified mortgage status for small lenders. HAC will try to make its comments available before the deadline. Contact Jennifer B. Kozma, CFPB, 202-435-7700.

CFPB EXPANDS HOEPA COVERAGE AND HOUSING COUNSELING REQUIREMENT. A final rule expands the types of high cost mortgage loans that are subject to the Home Ownership and Equity Protection Act; imposes new requirements on HOEPA-covered mortgages, including a pre-loan counseling requirement; and exempts reverse mortgages (which were previously exempt), initial construction loans, loans originated and financed by housing finance agencies, and USDA Section 502 direct loans. Contact Richard Arculin, CFPB, 202-435-7700.

CFPB REQUIRES COPIES OF APPRAISALS. Another final rule implements a requirement for lenders to provide
applicants with copies of appraisals in connection with applications for first lien mortgages, rather than providing copies only when applicants request them. Contact Owen Bonheimer, CFPB, 202-435-7000.
