HUD ISSUES EQUAL ACCESS FINAL RULE. The regulation, effective March 5, prohibits discrimination in HUD-funded housing on the basis of sexual orientation, gender identity, or marital status. Complaints will be handled in the same way as claims of violations of other program rules, and some may also be actionable under the Fair Housing Act. A separate rule will address this topic for HUD’s Native American housing programs. See Federal Register, 1/26/12, or Contact Kenneth J. Carroll, HUD, 202-708-2333.

Other requirements are also explained. See Federal Register, 1/27/12, or http://www.hudre.info. Submit questions at http://www.hudre.info/index.cfm?do=viewHelpdesk.
