SUBJECT: Extensions and De-Obligations of Multi-Family Housing  
Section 515, Section 514, and Section 516 Unliquidated Obligations  

This Unnumbered Letter (UL) provides guidance on when and how to extend and/or de-obligate Section 515, Section 514, and Section 516 unliquidated loan and grant obligations. This guidance was developed in response to the Government Accountability Office (GAO) report entitled “March 2011 GAO Report 10-329, Rural Housing Service – Opportunities Exist to Strengthen Farm Labor Housing Program Management and Oversight”, that recommended the Rural Housing Service (RHS) issue guidance on this subject to all RHS staff in the State Offices and local offices.

Although Section 515 loan obligations were not mentioned in the GAO report, the requirements of this UL will also apply to Section 515 unliquidated funds.

The Evaluation, Extension and/or Deobligation Process

Semi-annually, RHS staff in each State Office will carefully evaluate the status of all unliquidated Multi-Family Housing (MFH) obligations to ensure the proper and efficient use of these funds. The process for reviewing unliquidated obligations is as follows:

STEP 1: STATE OFFICE REVIEW

Identify the unliquidated obligations in the semi-annual certification of reports. The National Financial and Accounting Operations Center posts the

MFH reports are the following:

Review the unliquidated MFH obligations on the reports and provide an explanation for each, in compliance with the Unliquidated Obligation Department Regulation 2230-001. See Unliquidated Obligation Certification Instruction Guide for detailed reporting instructions. The following are the timelines to full closure of obligations:

- On-farm Farm Labor Housing (FLH) loans must be fully liquidated not more than 2 years from the date the loan funds were obligated.
- Off-farm FLH loans and grants must be fully liquidated not more than 3 years from the date the loan funds were obligated.
- Rural Rental Housing (RRH) loans that are not Multifamily Preservation and Revitalization (MPR) related must be fully liquidated not more than 3 years from the date the loan funds were obligated.
- RRH loans that are MPR related must be obligated and liquidated as per closing conditions stipulated by the MPR Loan Review Committee.

The State Director certifies unliquidated obligations.

See ULO Certification Instruction Guide for detailed instruction on submission of ULO responses to include accepted supporting documentation. Upload the files to the ULO Certification SharePoint site by State. (You will find specific instructions for these activities in correspondence from the National Financial and Accounting Operations Center dated as of September 30, 2017, titled “RD ULO Certification Instruction Guide” and an October 17, 2017, UL titled “Report of Prior Year Unliquidated Obligations Due October 31, 2017”.)

State Office Special Reporting of Obligation Extensions: In an e-mail, submit a request for an extension for the following situations to the State’s MFH Review Underwriter (RU) for review and concurrence and National Office approval;
- Request for time extension for an unliquidated obligation due to extenuating circumstances - An additional one-year extension may be permitted with the State Director’s recommendation, the review and concurrence of the RU and the approval of the National Office. No more than two one-year extensions may be granted on any unliquidated obligation.

- The RUs and the National Office may evaluate obligations that have unusual approval and obligation dates due to funding limitations imposed by budgetary and/or Notice of Funding Availability constraints on a case-by-case basis. No more than two one-year extensions may be granted on any unliquidated obligation.

**STEP 2: REVIEW UNDERWITER REVIEW AND CONCURRANCE**

- The RU reviews the SharePoint site uploads of ULO PDF files.

- The RU contacts the State and requests documentation for those obligations noted as valid that verifies the continued need of the project at the location, current construction costs, and availability of all original award funding sources (and/or extensions) as necessary to complete the project as initially planned. (State Offices must keep an updated development plan with a revised closing/completion date concurred with the applicant/borrower and authorized State Rural Development approval official in its files.)

- The RU emails his/her recommendation for extension or de-obligation of unliquidated obligations to the National Office program leads (courtesy copies the State Office, the Deputy Director and the Director, MFH PDL). The National Office RRH program lead is Bonnie Edwards-Jackson and the National Office FLH program lead is Mirna Reyes-Bible.

**STEP 3: NATIONAL OFFICE APPROVAL**

- Individually, the program leads and the Deputy Director MFH PDL, are authorized to approve [or reject] the first and second extension requests. No more than two one-year extensions may be granted on any unliquidated obligation.

- The Director, MFH PDL, is authorized to approve de-obligations and to approve [or reject] any extension request.

After five (5) years, we will process any outstanding unliquidated obligation in accordance with 31 U.S.C. section 1552(a) Procedure for appropriation accounts available for definite periods: On September 30th of the fifth fiscal year after the period of availability for obligation of a fixed appropriation account ends, the account shall be closed and any remaining balance (whether obligated or unobligated) in the account shall be canceled and thereafter shall not be available for obligation or expenditure for any purpose.
Questions regarding FLH Section 514 and Section 516 unliquidated obligations should be directed to Mirna Reyes-Bible at (202) 720-1753 or e-mail mirna.reysbible@wdc.usda.gov.

Questions regarding Section 515 unliquidated obligations should be directed to Bonnie Edwards-Jackson at (202) 690-0759 or e-mail bonnie.edwards@wdc.usda.gov.

Departmental Regulation

USDA Departmental Regulation 2230-001, Reviews of Unliquidated Obligations (revised on October 15, 2014), prescribes the policies for the review and certification of unliquidated obligations.

Reviews of unliquidated obligations are necessary to properly report obligation balances, certify the validity of obligated balances, make funds available that otherwise would not be used, reduce the risk of misuse and theft of funds, and improve the Treasury Department’s ability to forecast outlay and borrowing needs.

Policy

- The optimum utilization of funds requires that all current and prior year obligations be continuously reviewed to ensure that obligated balances are not over or understated and that the obligations are properly documented and reported.

- Reviews and certification of unliquidated obligations shall be made by each agency. Unliquidated obligations found to be unnecessary will be promptly adjusted. All adjusting transactions shall be properly documented and all documentation shall be retained for audit purposes.

- Agencies are required to certify quarterly that reviews and corrective actions related to unliquidated obligations inactive for at least 12 months were performed. RD ULO Certifications are due semi-annually (30 days after the Reporting Period) to NFAOC/PFCB according to the following schedule:

<table>
<thead>
<tr>
<th>REPORTING PERIOD</th>
<th>RD ULO CERTIFICATION DUE</th>

</thead>
<tbody>
<tr>
<td>October 1 – March 31</td>
<td>April 30</td>
</tr>
<tr>
<td>April 1 – September 30</td>
<td>October 31</td>
</tr>
</tbody>
</table>

- Obligations should be deobligated unless there is a documented bona-fide purpose for the obligation to remain open.
Procedures

I. **Identification & Notification** — Financial personnel will produce quarterly reports on unliquidated obligations from the financial management system for review. The agency Chief Financial Officer (CFO) or designated financial personnel will also notify program and procurement personnel of unliquidated obligations selected for review, and request a written notification of their validity. **NOTE:** Because RD reporting is semi-annual while FSA is quarterly, RD received a waiver for semi-annual reporting.

II. **Review of Obligations** — Program and procurement personnel will review unliquidated obligations selected to determine whether delivery of goods or services or performance is expected to occur. Review, close out, and de-obligations should occur on an ongoing basis as determination(s) are made that obligation(s) can be adjusted or cancelled. The following items must be considered, if applicable:

- The period of fund availability;
- The period of performance or delivery date;
- The completeness and accuracy of information provided by contract, grant, or loan recipients;
- Whether funds have been expended consistent with the percentage of completion;
- Whether remaining funds are sufficient to complete the order in accordance with the specifications or whether funds are no longer needed;
- Justifications for amendments to funding levels;
- Supplemental loans, grants, etc.;
- Reasons for lack of activity, such as litigation or delay in contract closeout;
- Any provisions of the grant, agreement or contract that may permit or prohibit deobligation or reprogramming; and
- Any other relevant factors, when making a determination.

III. **Determination** — The review should disclose unliquidated obligations:

1) That do not have a legal basis, or are not properly authorized and supported by appropriate documentation;
2) Which have been completed and have not been closed out; and
3) Under which no future expenditures are expected.

Once a determination is made that an unliquidated obligation is no longer valid, program and/or procurement personnel will notify appropriate agency-designated personnel, in writing, within 5 days after the determination is made to process a deobligation.

IV. **Deobligation** — Appropriate agency-designated personnel will cancel or adjust the unliquidated obligations in the financial management system, based on the written notification from program and/or procurement personnel, within 15 days after receipt of the written notification. In situations where program and/or procurement personnel are canceling or adjusting the unliquidated obligations, a written notification stating that the deobligation was processed must be provided to the agency CFO or designated financial personnel. Copies of the supporting documentation should be retained according to the records retention on page 6 of this guide.
V. Certification - Certification. The CFO, or equivalent, for each agency must submit a certification to the Office of the Chief Financial Officer (OCFO) - Associate Chief Financial Officer for Financial Operations (ACFO-FO) by the dates outlined in the Policy section. Certifications are subject to examination by OCFO on a sample basis annually.

Responsibilities:

a) The CFO, or equivalent, for each agency must

1) Coordinate reviews and corrective actions related to unliquidated obligations between program, procurement, and financial personnel; and
2) Provide the ACFO-FO a certification that the reviews were performed and unliquidated obligations are valid based on the reviews.

b) Program and/or procurement personnel will determine if unliquidated obligations should be deobligated and provide a written notification to appropriate agency-designated personnel.

c) Appropriate agency-designated personnel will deobligate unliquidated obligations for goods or services for which delivery or performance is not expected to occur, based on written notification from program and/or procurement personnel.

d) The OCFO will

(1) Monitor agency compliance with this regulation;
(2) Work with agency CFO's to identify impediments to compliance and assist in developing and implementing corrective actions; and
(3) Provide analytical support to agencies to assist in early identification of invalid unliquidated obligations.

e) It is a shared responsibility of all program, procurement, and financial managers with obligation authority to ensure that agency funds are obligated properly and managed effectively. This includes routine monitoring and timely adjustment of obligations for which the office is responsible. Supervisory officials should ensure that appropriate and timely execution of these responsibilities are reflected in the performance plans of all program, procurement, and financial managers with obligation authority and are assessed in formal performance evaluations.

Definitions

a) Deobligation (Cancellation) – the cancellation, downward adjustment, or deletion of a previously recorded obligation. Such adjustments may be attributable to cancellation of a project or contract, price revisions, corrections of amounts previously recorded, or differences between obligations previously recorded and payments made.
b) **Invalid Unliquidated Obligation** – the portion of an obligated balance associated with undelivered orders that is not needed to pay for goods and services not yet received. This may be a balance remaining following final delivery of goods and services, a balance unneeded due to a reduction in vendor rates or quantities needed compared to the basis for the original estimate, the unearned portion of a grant or agreement once the period of performance has expired, the entire recorded obligation if the underlying transaction did not result in a valid obligation of the government, or similar reason.

c) **RC743** – Report Code (RC) 743 Prior Year Unliquidated Obligations

d) **Undelivered Order** – an undelivered order is an obligation for goods that have not been received or services that have not been performed.

e) **Unliquidated Obligation** – the balance remaining from the amount of orders placed; contracts or other binding agreements awarded; or services rendered after making any payments or processing deobligations. Unliquidated obligations consist of undelivered orders and accounts payable.

**Records Retention** – Records, reports, certifications and all other supporting documents relating to reviews of unliquidated obligations should be maintained, by the agency and the OCF O, for a period of 6 years and 3 months from the date the review was completed. However, records should not be destroyed if they are subject to litigation or other moratorium. Information related to records retention should be directed to the agency Records Officer.
ULO Certifying Office PFCB Tool Overview

ULO Tool Guide

The Certifying Office ULO Tool was created to convert the RD Report of Prior Year Unliquidated Obligations (RC743) into a Microsoft Excel file, for review and certification by RD Certifying Officer (CO) Staff. This Tool is designed for shared use by NFAOC/PFCB and RD Certifying Officers, according to the following workflow:

- Import RC743 ULO Report as an Excel file (.xlsx format)
- Certify ULOs listed on RC743 Excel file with Departmental Codes
- Summarize ULO Certification data for export as an Excel file (.XLX format)
- Create ULO Certification Signature form as a PDF file for export

1. Import ULO Report button – Used by NFAOC to import RC743 Report
2. Type of ULO Report dropdown button – Used by NFAOC to select type of RC743 report
3. ULO Reporting Period – Used by NFAOC to select reporting period
4. Export Reports in Excel Format button – Used by CO to export ULO Data file to NFAOC
5. Export Summary for Signature In PDF Format button – Used by CO to create PDF form

Update the required additional data fields, in Columns Q-U, per the Departmental Code selected. See the top portion of page 12. **Note** — the tool will **not** create export files if required data fields are not entered. The following are required data fields for each Departmental Code:

- **Deobligated** — select if a deobligation has been processed in the source system **after September 30, 2017**. A deobligation should be completed prior to September 30, 2018. Enter the Deobligation Date in column Q and Amount in column R. Screen print(s) of each completed deobligation to document that the cancellation has been processed **after September 30, 2017** in the appropriate accounting system. All screen prints processed in one accounting system must be saved as one PDF file (for example, the file name of the PDF for all screen prints for Arizona processed in AMAS should be labeled as ”AZ AMAS deobligations”) and each PDF must be uploaded with the 743 Excel file before October 31, 2017. The accounting systems are as follows:
  - Automated Multi-Housing Accounting System (AMAS) cancellation that is indicated on the Miscellaneous Transaction History screen (see screen print on page 25 of the guide)
  - Commercial Loan Servicing System (CLSS) rescission that is indicated on the Borrower History screen (see screen print on page 25 of the guide)
  - LoanServ System cancellation is indicated on the Display History Appropriation Accounting (APA) screen (see screen print on page 26 of the guide)
  - Program Loan Accounting System (PLAS) cancellation that is indicated on the Unclosed (UN) screen (the screen shot after the deobligation processed) in the Automated Discrepancy Processing System (ADPS) (see screen prints on pages 26 and 27 of the guide) **NOTE**: Community Program Application Program [CPAP], Guaranteed Loan System [GLS] screens, or Form RD 1940-10 Cancellation of U.S. Treasury Check and/or Obligation should not be submitted.
  - Nonautomated (Manual) program cancellations should be processed per the most recent instructions issued by the appropriate National Office Program Staff.

- **Deobligation in Process** — select if the unliquidated obligation will not be deobligated by the certification deadline. Enter the estimated Deobligation Date in column Q and Amount in column R. Also, in Comments, enter the valid reason(s) for it. **(NOTE**: if an estimated deobligation date is before 09/30/2018, please process the deobligation in the accounting system before 09/30/2018.)

- **Research Required** — select if an unliquidated obligation cannot be readily identified as valid by the certification deadline and requires more research. Enter the estimated Date for when research will be concluded in column Q. Also, enter Comments stating why additional research is required and the valid reason(s) for it.

- **Valid** — select if an unliquidated obligation is valid (a disbursement has been processed and/or will be processed in the system **after September 30, 2017**). Enter the processed or estimated Disbursement Effective Date in columns S and Amount in column T. For each estimated disbursement, enter comments stating the reason for classifying the ULO as Valid.

**NOTE:** for each ULO, ensure that a Departmental Code is selected and all the required fields (highlighted in yellow) are filled in/complete.

**NOTE:** for the borrowers with Departmental Code Deobligation in Process and/or Research Required, the States and/or National Office need to email comment updates to [RD.NFAOC.PFCB@stl.usda.gov](mailto:RD.NFAOC.PFCB@stl.usda.gov). For Electric and Telecom borrowers' Last Dates of Advances, the National Office Program Staff needs to email the support documents for extensions prior to 9/30/18 to PFCB's email address.
Export ULO Certification

After the required fields are filled in and the ULOs are certified, export the updated RC743 Data file and ULO Certification form for review and signature by the State Director. Below are the steps for creating/saving these items.

1. After all ULOs Departmental Codes and required fields are entered, select the Data_Import_Ctrl tab and click the Export Reports in In Excel Format (.XLX) button.

2. Save the updated RC743 ULO Data File with this required Excel format .XLX. You will receive an Export Successful message.

NOTE: Each time the Departmental Code or Dollar Amount on the Excel file changes, the ULO Summary Report changes too. The updated ULO Summary Report needs to be signed, dated, and uploaded to SharePoint.
Click the Export Summary for Signature In PDF Format button to create the ULO Certification Form.

Save the ULO Certification Form. You will receive an Export Complete message.

The State Directors or National Office Program Staff will certify each RC 743 report for their respective programs by signing and dating the certification statement on the ULO Certification Form/ULO Summary Report in the ULO Report tab. The certification statement will read, "I certify the semiannual review of RC 743, Prior Year Unliquidated Obligations, was performed in accordance with Departmental Regulation Number 2230-001, and that the unliquidated obligations (not shown as canceled or disbursed) are valid based on the review."
Print the ULO Certification Form and have it signed and dated by the State Director or National Office Program Staff (digital signatures are also permitted). Save the signed form.

How to Submit ULO Certifications to NFAOC/PFCB

Upload ULO Certification to SharePoint

Required password-protected ULO Certification documents must be submitted to NFAOC/PFCB by the deadline given in the email notice. Required ULO Certification documents are:

- RC743 ULO Data File with Departmental Codes and additional fields entered/completed
- Signed ULO Certification Form
- Screen prints of processed cancellations (only for obligations with Deobligated as the Departmental Code)
- Completed Checklist
- Completed POC Form

The following are the steps for uploading these items to SharePoint.

1. Return to the ULO Certifications SharePoint site and click State ULO Certifications. Then click the folder for your State.

2. Click new document.

...
Click **UPLOAD EXISTING FILE.**

Click **Browse** to select file(s) for upload, and click **OK** (See the first paragraph in this section for a listed of Required ULO Certification documents). Be sure to select your State in the Destination Folder drop-down before clicking OK.

Upon completion of your review, it is essential that the State Office retain a copy (paper or electronic) of each annotated and certified report, as well as related supporting documentation for 6 years and 3 months as required by Departmental Regulation Number 2230-001. This information will be subject to review by the Office of the Inspector General (OIG) as part of the Financial Statement Audit and similar audits in future years.
Common errors to be avoided:

1. Reports uploaded to ULO SharePoint without a code on each line in the Departmental Code column.
2. Attaching documents not requested for certification reporting to the reports and uploading to the ULO SharePoint site.
3. Community Program Application Program (CPAP) or Guaranteed Loan System (GLS) screens should not be submitted. For PLAS, the Form RD 1940-10 Cancellation of U.S. Treasury Check and/or Obligation should not be submitted.
4. Multiple uploads due to incorrect naming specifications not being followed: “State abbreviation and report date” (e.g., for Arizona, AZ 09302017)
5. Using incorrect Departmental codes (e.g. marking an account as a deobligation when it was fully advanced).
6. Not annotating the report with amount and date when the disbursement or cancellation was issued after the As of Date shown on the report.
7. Not uploading all screen prints for all cancellations for all systems in one PDF file.
Setting Alerts to Receive RD ULO Email Notifications

The following are the steps for creating alerts to receive email notifications when RC 743 ULO Report Data files are added to State ULO Certifications and the Certification Instruction Guide to the Instructions for ULO Reports on SharePoint.

1. Open the ULO Certification SharePoint site and select Instructions for ULO Reports. Then select LIBRARY from the menu bar.

2. Click the Alert Me Icon. Select alert parameters, then click OK.
You will receive an email confirming the alert set-up.

**CASE NUMBER:** CASE TYPE: (UN) LOAN: ACDT:

END OF STATUS
PLAS in NITC: Unclosed (UN) screens (one of these two screens for a borrower's loan or grant) Community Program Application Program (CPAP), Guaranteed Loan System (GLS) screens, or Form RD 1940-10 Cancellation of U.S. Treasury Check and/or Obligation should not be submitted.

If a loan or grant has been fully deobligated, the UN screenshot below is still needed even if though the message for the borrower's case number and loan number for a loan or grant is 'Status information does not exist for this case number'. This indicates that a loan or grant has been fully deobligated (nothing is shown above CASE NUMBER: STATUS TYPE: UN, LOAN: and ACDT: is blank). (NOTE: any other screen in PLAS should not be submitted)

Director, National Financial and Accounting Operations Center

SUBJECT: Report of Prior Year Unliquidated Obligations
Due Date: October 31, 2017

In accordance with the Department of Agriculture regulations regarding the certification of unliquidated obligations (ULOs), Rural Development (RD) is required to certify the validity of inactive loan and grant accounts. In accordance with Departmental Regulation (DR) Number 2230-001, Reviews of Unliquidated Obligations, all obligations over 1 year with no activity are provided for your review, annotation, and certification. Please carefully review and verify this report to determine if the ULO amounts are accurate and provide a response, per DR Number 2230-001 instruction.

One or more of the following RD reports as of September 30, 2017, are in the Excel-based Certifying ULO Tool:

- RC RL56743FI, Unadvanced Obligations Other Than Telecom and Electric on the Commercial Loan Servicing System (CLSS).
- RC 743, Report of Prior Year Unliquidated Obligations for Direct Single Family Housing programs covered by the LoanServ System.

EXPIRATION DATE: September 30, 2018
FILING INSTRUCTIONS: Administrative/Other Programs

USDA is an equal opportunity provider and employer.

If you wish to file a Civil Rights program complaint of discrimination, complete the USDA Program Discrimination Complaint Form (PDF), found online at http://www.ascr.usda.gov/complaint_filing_cust.html, or at any USDA office, or call (866) 632-9992 to request the form. You may also write a letter containing all of the information requested in the form. Send your completed complaint form or letter to us by mail at U.S. Department of Agriculture, Director, Office of Adjudication, 1400 Independence Avenue, S.W., Washington, D.C. 20250-9410, by fax (202) 690-7442 or email at program.intake@usda.gov.
The DR Number 2230-001 was revised October 15, 2014, and has established standardized coding for all ULO Reports for all programs. The RD Unliquidated Obligation (ULO) Certification Instruction Guide (Attachment 1) and the Certification Instructions for RC 743 that were used for previous ULO certifications have been combined as one document. The certification instructions are no longer being used. Please read the updated certification instruction guide for coding the accounts during your review and verification process as they have been revised to include the new standardized codes. Any other or blank coding will not be accepted.

A revised checklist (Attachment 3) has been provided to ensure the report review process is completed according to the revised certification instruction guide. The checklist also indicates the expected cancellation screen print for each report based on the accounting system.

To facilitate the review and certification process, we request that each State Office complete the attached revised Point of Contact (POC) form (Attachment 2), then scan and upload it to your state folder (under State ULO Certifications folder) on the ULO SharePoint site before October 20, 2017. The revised POC form provides the National Financial and Accounting Operations Center (NFAOC)/Program Funds Control Branch (PFCB) with names and information for primary and alternate contacts designated for your state. The POCs will act as liaisons between your State Office and PFCB regarding issues related to these reports.

The ULO SharePoint site link to your folder has not changed. The link is https://ems-team.usda.gov/sites/RD_CFO/nfaoc/DPM/prd/prb/ULO/Shared%20Documents/Forms/AllItems.aspx. If the permission to upload certified reports is changed to include another staff member or any other assistance is needed regarding the ULO SharePoint site, please e-mail RD.NFAOC.PFCB@stl.usda.gov.

Upon completion of your review and verification, the ULO Certification Form provided from the ULO Tool Excel file used to validate ULO amounts must be certified, signed, and dated by the State Director per the instructions. The completed checklist, password-protected reports, and screen prints documenting any cancellations processed on the computer system must be scanned and uploaded to the ULO SharePoint site using the revised instruction guide no later than October 31, 2017. The password to use for protecting the reports and screen prints to be uploaded to the SharePoint site is provided in the instruction guide. Please upload the complete certified reports because partial reports will not satisfy audit or certification requirements.

The ULO Reports should be uploaded to the NFAOC SharePoint Site for review as no hard copy documents should be sent to the NFAOC. It is essential that the State Office retain a copy (paper or electronic) of each annotated and certified report, to include related supporting documentation for 6 years and 3 months as required by DR Number 2230-001. This information will be subject to review by Office of Inspector General as part of the Financial Statement Audit in future years.

Your cooperation in satisfying this requirement is appreciated. If you have any questions or require any additional information, please contact Pamela Younger, Chief, PFCB, at 314-457-4142; Suzanne Balke, Accountant, PFCB, at suzanne.balke@stl.usda.gov, or Cherie McCoy, Team Leader, PFCB, at 314-457-4104.
